

What to do next?

- Please get in contact with the school to let us know that you are interested in your child attending our Orientation and Transition programs.
- You will need to indicate which day you would like your child to attend and this will need to remain the same for all of the sessions.
- If you haven't already done so, please complete an Expression of Interest Form which is available from the front office.
- Proceed with formal enrolment

Orientation and Transition

Welcome to Lake Munmorah Public School!

Your introduction to our school will be the beginning of a rewarding journey for your child and your family. Our school takes pride in the many successes that will become part of the fabric of your child's life.

At Lake Munmorah Public School, transition into Kindergarten involves our whole school community working with you to help make your child's school start a positive experience.

We offer an Orientation and a Transition experience for you and your child. During the Orientation and Transition programs you will experience a variety of aspects of school life and you will also get the opportunity to come along to an information session where you can learn all about how the school community operates.

Please see over for the dates and times of the Orientation and Transition programs as well as the Parent Information Session.

Below are the key dates for the programs:

Orientation—children and parents 9:15-10:45am
