Principal's report

Great work

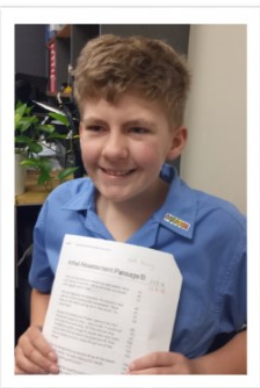

I had some wonderfully clever visitors this week. Evelyn from 1/2M shared her excellent writing with me. Her attention to adding detail gave her

writing more

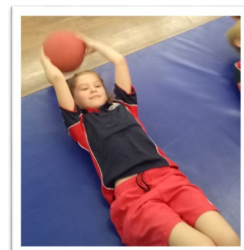

description and

interest for the reader. Well done.

Amarli and Ivy from KBlue also shared a written response to the story The Fabulous Friend Machine. Their clever thoughts and recollections showed how much they listened to the message in the story.

Nic from Year 5 has worked extremely hard on reading and as a result made outstanding progress.

I visited the Year 1 and 2 students from 1/2M and 2AR in the hall to

practice their gymnastic skills. Lots of jumping, tumbling and rolling (and terrible photography from Mrs Baldwin!).

The students were having a wonderful time learning new skills.

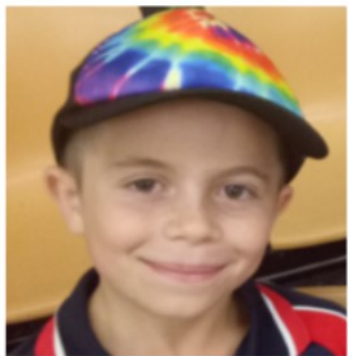

Premier's Sporting Challenge

We had a wonderful response to the Premier's Sporting Challenge this year. All children received their certificates this week. All classes participated and are to be congratulated on their efforts.

PBL Buy in day

How very exciting it was to eat ice-cream at school!! I was joined today by some beautiful students who bought an ice-cream party with Mrs Baldwin as part of the buy-in day. The best thing is all about

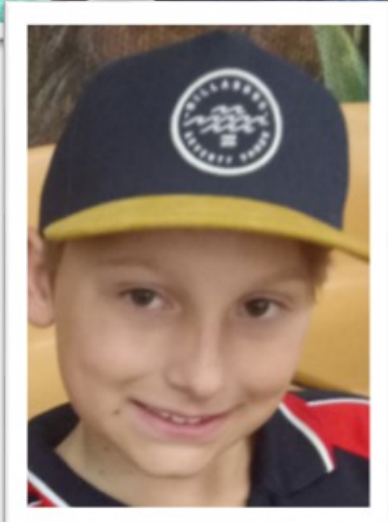

the toppings – we had M&Ms, sour straps, strawberries and sprinkles for our special ice-creams today.

Many others had their special event as well with mufti, movie afternoon,

prize box draw, own hats and crazy socks. Well done to everyone who worked so hard to collect Lakeys for the Buy in.

123 Magic

Unfortunately we have had to cancel the 123 Magic parenting course due to lack of numbers. These types of courses will be offered in 2019, so please keep an eye out for them.

As always, it is a very busy run up to the end of term. The teachers are writing, then finalising reports, Stage 3 are preparing for camp next week, our uniform shop is nearly ready for opening and we are in the middle of swim school. Please make sure you keep up to date via the app and Facebook so you don't miss out on happenings in the school.

Narelle Baldwin

This week's lesson was about doing your Personal Best.

During the lesson, it was defined that Personal Best means:

Making an obvious effort to make good choices about your behaviour, attitude to learning and your application to the task at hand.

Personal Best also means having respect for yourself and others and being a responsible LMPS student at school every day and in the world beyond school.

When others see you doing your Personal Best, they are impressed (and it makes you look really awesome!!)

Be **Respectful** by using polite talk.

Be **Responsible** by looking after property.

Try to do your **Personal Best** by being resilient.

PBL IS FOR:

Every one, every where, every time.

This year, on behalf of the Southlake Marketplace in Lake Munmorah, we are collecting non-perishable grocery items, and toys or gifts that will go towards making hampers for families in our community that need our help this Christmas.

Your kind donation is greatly appreciated and truly demonstrates the Christmas spirit with the gift of giving.

Join our Outside School Hours Care – it's free to register!

Are you thinking of using our Outside School Hours Care? It's free to register.

We encourage all families to register even if you are unsure you will need to use our OSHC program at your school. Here is why:

- It's free to register
- A stress-free back up plan for 'just in case'
- Flexible access to our program
- We will have all the information for your child already on file to ensure they have the best time possible in our care

How do I register?

Registration is simple and hassle free! To register please visit www.campaustralia.com.au search for your school on the homepage and click Register.

How do I find out more about the OSHC service at my school?

To find out more about our program as well as view our fees, please visit our website and search for your school on the homepage using the simply search function. Otherwise feel free to come and visit the program and see what it is all about.

We look forward to seeing you and your family soon

Parking Restrictions Outside Schools

KIDS LOOK TO US TO KEEP THEM SAFE – PLEASE PARK LEGALLY IN SCHOOL ZONES

Central Coast Council would like to remind parents and carers of parking restrictions outside schools. Please pay close attention to the signs outside your child's school and be aware of speed when travelling through school zones.

NO STOPPING ZONE

Stopping is NOT permitted at any time.

BUS ZONE

Stopping is not permitted during the times shown on the sign.

DOUBLE PARKING

You are not permitted to stop OR park alongside another vehicle already parked parallel to the kerb. This means not forming a queue in the middle of the traffic lane if you are waiting.

NO PARKING ZONE

Drivers may drop off and pick up children during the times shown on the sign BUT note:

- Maximum stopping time is 2 MINUTES – your child must exit and enter the car within this time.
- Driver must remain within 3 METRES of the vehicle – you may get out to assist with bags etc.
- Stop as close as possible to the top of the zone to allow access for vehicles following behind.

Parking illegally can create serious risks as it may limit the vision of other drivers.

SAFETY DOOR

The Safety Door is the rear door, closest to the kerb, footpath or gutter and away from the road. Always let your children out of the vehicle on the FOOTPATH SIDE OF THE ROAD.

Please consider the school's neighbours by leaving space at their driveways to allow safe exit and entry to the roadway.

Road Rules 2014

269 Opening doors and getting out of a vehicle etc

(3) A person must not cause a hazard to any person or vehicle by opening a door of a vehicle, leaving a door of a vehicle open, or getting off, or out of, a vehicle.

This offence attracts a level 5 penalty notice, which is currently set at \$337.

<https://legislation.nsw.gov.au/#/view/regulation/2014/758/part16-rule.269>

Stopping ON or ACROSS a driveway or other access point to and from a property is not permitted under any circumstances.

Travelling more than 40 km/hour through school zones may inhibit a car from stopping in time to avoid hitting a pedestrian.

It only takes a split second for a crash to occur and only one car to present a danger to an unknowing child.

Please be aware of the restrictions and park safely outside your child's school.
