NAIDOC Week 2020

**Always was,
Always will be**

**Always Was,
Always Will Be.**
8-15 NOV 2020

Our NAIDOC Week celebrations started with an assembly on Monday afternoon, in which our Cultural Group performed and hosted an assembly. They have been learning about Aboriginal and Torres Strait customs, implements and dance, and performed beautifully at the assembly for their peers. Congratulations to those students who received awards on the day as well.

Kindergarten Orientation

This week we welcomed our new Kinder students to the school, for their very first orientation day. All our new little friends settled very quickly and the teachers were impressed with their skills. Thank you to the mums, dads, nans and pops who followed our strict COVID-safe measures to make it safe for everyone for drop-off and pick-up times.

New Badges

We welcome in a new badge for our school the Lakey Badge! Students who have received the pencil badge in 2020 will receive one of the new Lakey badges at this week's assembly. I know they will all wear them with pride!

P&C Meeting

With the easing of some restrictions, we can now have P&C meetings onsite at the school once again. The next meeting is on **Thursday 19th November at 6.30pm** in the staff room.

Enrolments for 2021

Please let the office know if your family will not be returning to LMPS next year. This helps with the organisation for classes and staff for the new school year.

your water
bottle!**

Don't Forget!

Be very clear about the pick-up arrangements each afternoon for your child. If you are running late, call the school, and remind your child to return to the office if they cannot find you or are unsure.

LIBRARY NEWS

BOOK CLUB

The last issue of Book Club is out next week. Issue 8 has lots of the latest books, great reads, activity books and games at reasonable prices. If you would like to order for the last time this year, please order online via Scholastic's LOOP or hand orders in at the office or library.

Orders are due back at school on Friday 27th November.

THANK YOU TO ALL THOSE FAMILIES WHO PURCHASE BOOKS FROM BOOK CLUB :)

BORROWING & RETURNING

Next week is the last week for borrowing, as all books need to be returned by Week 8, so I can start my annual stocktake.

Students will be bringing overdue notices home next week. Please have a good look at home for any library books that may still be hiding under the bed, behind the lounge, in the dog kennel, in the car, or in a very special spot (that you may have forgotten about – like me with presents for my children that I find years later!!) Many thanks with this task.

GIVING TREE

Christmas is a time of giving. Each year at Lake Munmorah Public School we support the Southlakes Marketplace Christmas Food Drive. This year Southlake Marketplace will be giving away 400 food hampers to families in need in our community, but they cannot do it without our help.

It would be wonderful if you could donate any non-perishable (do not require refrigeration) food items or a small gift to help a family in need in our community.

These items can be left under the Christmas Tree in the library. If every family could donate one item, we would have well over 200 things to give.

Thank you to the families who have already donated and thanks to Shanen and Austin from 5/6C for putting up the tree this year.

All donations are greatly appreciated. Thank you.

PBL News

This week our PBL lesson was “Playing Safely” which will be our focus for next week. School expectations for play are often quite different from those which are in place out of school. As school playgrounds are busy places, we need to have expectations to ensure everyone’s safety and it can be difficult for some children to adjust to these differences.

At LMPS our playground expectations are:

All of these expectations are in place to keep students safe. One of our overall expectations, which applies to all settings in the school is “Hands and Feet to Self”. This extends to the playground which means games that involve touching others are not allowed, unless as part of a game being directly supervised by a teacher (eg. Mr Wales during lunchtime touch football games).
