### Upcoming Events

This week we feature 2S. This class of very hard workers have been developing their skills in working with numbers and building 3D models. They have built some excellent models to share:

## Enrolments for 2021

Please let the office know if your family will not be returning to LMPs next year. This helps with the organisation for classes and staff for the new school year.

## P&C Meeting

Thanks to those who could make the P&C meeting last night. It was good to finally get together and to catch up with the events happening in the school whilst parents and carers have not been able to come onsite. We discussed some tentative plans for 2021 and hope that we can have more events with the community in the coming year.

## Presentation Day and end of year events

Under the current guidelines, we can now have parents attend the Presentation Day Assemblies held on the 10th December. As you would understand, there will be strictly controlled access, including limits on the number of adults that can be at these assemblies. This means that each award recipient can have only one parent present on the day. If your child is going to receive an award in 2020, you will be sent an invitation. You must return the acceptance slip in order to attend. All details will be shared in the letter of invitation. Thank you for your understanding.

# LIBRARY NEWS

## BOOK CLUB

The last issue of Book Club is out next week. Issue 8 has lots of the latest books, great reads, activity books and games at reasonable prices. If you would like to order for the last time this year, please order online via Scholastic's LOOP or hand orders in at the office or library.

**Orders are due back at school on Friday 27th November.**

THANK YOU TO ALL THOSE FAMILIES WHO PURCHASE BOOKS FROM BOOK CLUB :)

## BORROWING & RETURNING

Borrowing has finished for the year and all books need to be returned by Week 8, so I can begin stocktaking.

Students will be bringing overdue notices home next week. Please have a good look at home for any library books that may still be hiding under the bed, behind the lounge, in the dog kennel, in the car, or in a very special spot (that you may have forgotten about – like me with presents for my children that I find years later!!)

Many thanks with this task.

## GIVING TREE

Christmas is a time of giving. Each year at Lake Munmorah Public School we support the Southlakes Marketplace Christmas Food Drive. This year Southlake Marketplace will be giving away 400 food hampers to families in need in our community, but they cannot do it without our help.

It would be wonderful if you could donate any non-perishable (do not require refrigeration) food items or a small gift to help a family in need in our community. These items can be left under the Christmas Tree in the library. If every family could donate one item, we would have well over 200 things to give.

Thank you to the families who have already donated.

All donations are greatly appreciated. Thank you.

Julie Treharne :)

# PBL News

Our PBL lesson this week was about being responsible, respectful and giving our personal best when visiting the canteen. Visiting the canteen gives students those early experiences of shopping and interacting with the community. We hope the skills and values they are learning at LMPS will serve them well as they engage with the wider community. Here are our expectations for students when they visit the canteen.

Respect	Responsibility	Personal best
Smart Voice (2 or 3)	Line up safely	Music plays, move away
Sit to eat	Hold onto your money	Following instructions
Use your manners	Have your money ready	Straight lines
	Be ready to order	
	Shopping for yourself	

Our PBL **Buy-in day** for students is coming up in week 8 and **Rewards day** in week 9. PBL Buy-in day is a day where students can spend their accumulated Lakeys on fun activities or special privileges. These activities all have different Lakey amounts assigned to them and students can choose from the list and trade their Lakeys accordingly. Then in week 9 a day is set aside that we call Rewards day. On this day students get to enjoy their chosen activity or special privilege.

We have reached the next marker in our whole school collection of Lakeys. This means a whole school reward! On Thursday of next week students will enjoy a school fete hosted by Year 6 students. It will also serve a dual purpose of helping our Year 6 to fundraise for their end of year celebrations. Our school fete will be on Thursday 26<sup>th</sup> November. It will run from 1:00pm-2:30pm. There will be lots of fun games and activities. Students can bring in some money to spend on the day. Stalls will range from 50c to \$4(ish). A note has been sent home with more information.
