Lake Munmorah Public School

Term 2 Week 10

Carters Road, Lake Munmorah 2259
Principal- Narelle Baldwin

Upcoming Events Students Return Tuesday 21st July 2020

Well done to everyone!

Today brings the end of a very demanding term for everyone—students, parents, carers and teachers. I would like to sincerely thank everyone for their efforts and congratulate you all for having the strength to "hang in there" in these uncertain and fast-changing times.

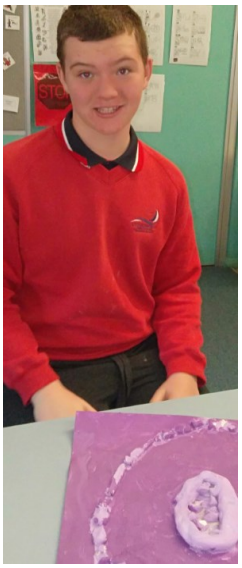
Can you believe only 7 weeks ago we were still presenting lessons online, communicating via DOJO or Zoom, running our drive through pick-ups of school work for students in the school, and spending the vast majority of our time at home!

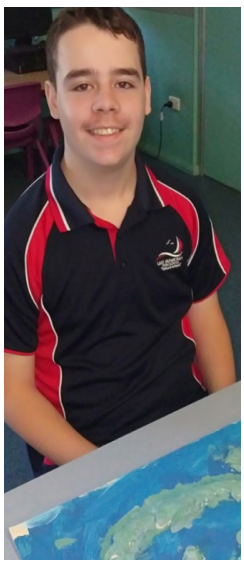
Term 3 will bring another easing of restrictions with increased activities for the students to take part in. Last week I mentioned the return of activities such as drama, choir, code club and chess and these have been embraced by the children. I know there will be many happy faces this weekend as well when competitive sport starts again across the Central Coast.

With the holidays here, please keep yourselves and your families safe and well during the break. We are so very fortunate to have such a great community, working hard to follow the COVID-safe rules and support one another. Thank you and well done to everyone.

Class Visit K-6R

I visited the fabulous K-6R this week. I have heard much about their research and activities in their literacy study of Mr Popper's Penguins. The students shared in reading and watching this story, and designed and built outstanding 3D models of Antarctica as part of their research into penguins and their habitat. Well done K-6R for your excellent efforts.



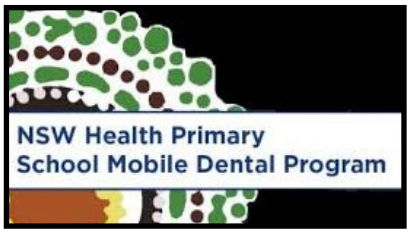


Mobile Phones at School

All mobile phones owned by students must be handed in at the office each morning. This week we had a number of students not comply with this, resulting in disruption to the learning routine and a potential breach of privacy. Please discuss with your child the importance of respectful use of any electronic device, as well as the expectation they hand phones in each day.

Mobile Dental Clinic

Next term we will be taking part in the NSW Health Primary School Mobile Dental Health Program. A dental van will be in the school from the 31st August to the 11th September, 2020. The van provides a dental check-up and preventative care service for all primary age students. The service is free. Please be aware that strict infection control procedures will be applied when seeing school students. Information packs will be sent home at the beginning of Term 3 if you would like to take part in this important service.



Music Bus

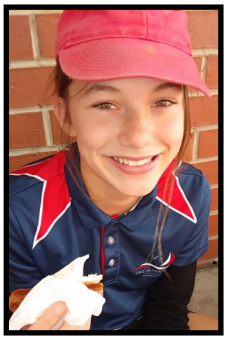
Music Bus expressions of interest went out again earlier this week. If you would like your child to be part of the Music Bus program, please return the forms as soon as possible. Timetables will be arranged around the number of students who show interest in the program.

Soap in Bathrooms

We have ensured all student toilets have liquid soap available for hand-washing. Unfortunately, the cleaners have reported on a couple of occasions that children have removed the soap pouch from the dispenser and put it in the trough or in toilets. This has happened in the Yrs 3-6 boys toilets. Please reinforce with your child the importance of respecting the facilities at the school, especially in the current circumstances where hand-washing is extremely important.

Sausage Sizzle

Well done to all the students who have worked hard to earn Lakeys for showing Respect, being Responsible and doing their Personal Best. You would have noticed in last weeks newsletter the Lakey Box filled to the first red line, meaning a whole school reward is shared. This time it was a sausage sizzle.



Have a relaxing and happy break.
Keep safe and keep well.

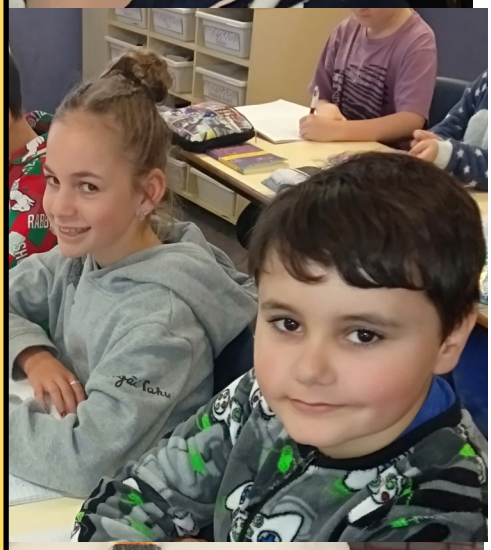
PJ DAY



LIBRARY NEWS

END OF TERM

Wow, we finally made it to the end of term! What a crazy time we have all been through. Let's hope things remain steady for us in New South Wales and that we can continue with our post-Covid recovery in a positive direction.

Thank you to everyone who returned their overdue books.

Lots of students borrowed extra books for the holidays, which is great!
I hope they enjoy them and come back to Term 3 eager for more!

BOOK CLUB

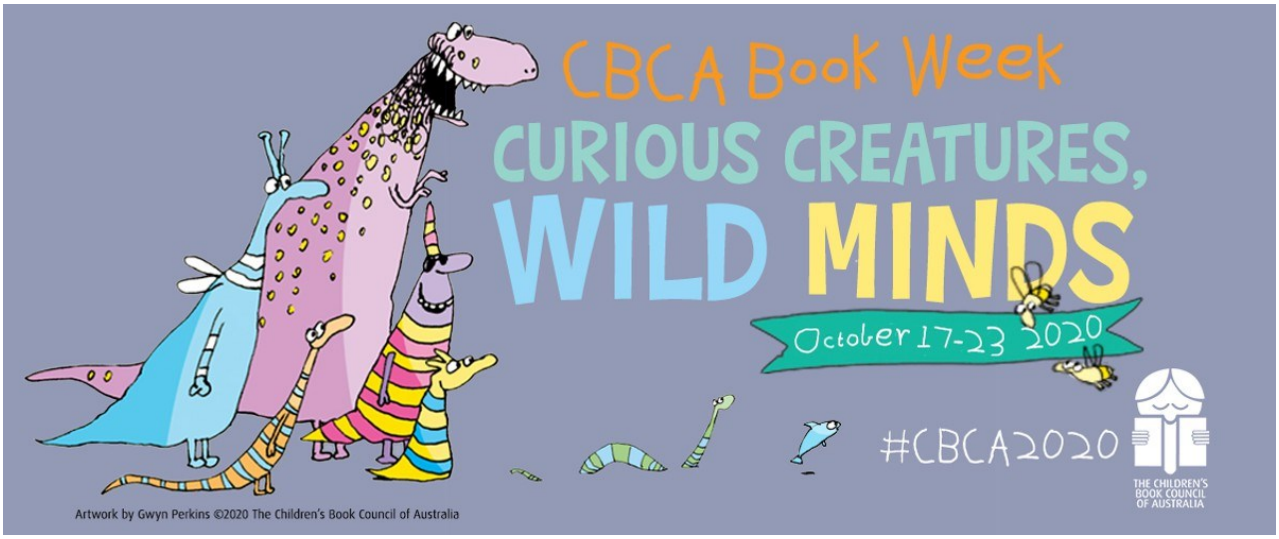
I am very sad to say that unfortunately due to huge back-logs with deliveries by Australia Post, student & LOOP orders have been unable to be delivered to school in time for the holidays.
I spoke to Scholastic and they are equally disappointed that thousands of students around NSW will miss receiving their orders in time for the school holidays. They send their apologies and highlight that this is beyond their control.

All I can say, is thank you very much for ordering and thank you very, very much for your patience whilst waiting for your much-anticipated order to arrive.
Orders should be here first week back next term and I will ensure all students receive them on the day of delivery.

Thank you for your understanding in this matter, and I sincerely hope this does not discourage you from ordering in the future.

Happy Reading and the Happiest of Holidays.

Julie Treharne



Lake Munmorah Public School

Kindergarten 2021

We are now taking enrolments for Kindergarten 2021.

Due to the current social distancing restrictions, orientation dates have not been set. We will inform you of the dates and times as soon as we can.

In the mean time . . the following documents can be collected and completed:

A copy of your child's - birth certificate
- immunisation statement

- proof of residence to be provided for all new enrolments (rates notice etc)

- complete the Expression of Interest form

If you require any information regarding our school you could view:

Website: *lakemunmor-p.schools.nsw.gov.au*
FaceBook: **search @LakeMunmorahPublicSchool**

Stay tuned for upcoming virtual tour of the school and orientation dates and session details.

For more information please contact the school on 4358 1171
Mrs Jardine-Harris (Early Stage 1 Assistant Principal)

Community LINKERS

SUPPORTING PEOPLE AND COMMUNITIES TO CONNECT

LINKERS CAN ASSIST YOU TO:

- Look at ways you can be involved in your local community
- Explore ways to meet new people and make friends
- Build your confidence and skills to achieve your goals
- Set goals for the life you want
- Provide you with information about inclusive community activities and services

DO YOU WANT TO CONNECT with your community?

Linkers work alongside people to make connections. Everyone comes with different goals. Whether you are wanting to meet others, learn a new skill, participate in sport, start studying or start your own business we can work with you.

You remain at the centre of all decision making about how you want to lead your life. If you need access to services and support we can also link you with others.

Linkers provide short term support to help you to build confidence to gain the information, skills and/or confidence to make the links you want in community.

There are no formal assessments, you can come back as many times as you like and it is **FREE**.

Linkers have strong local knowledge and work alongside businesses and community groups to support them to be welcoming and inclusive.
