Stage 2 Excursion - Awabakal Environmental Education

Here is the fabulous KM!

I had a lovely visit to the fabulous KM this week. They have been learning about life cycles with Mrs McLeod and Ms Jefferies. The students also showed off their writing skills on the whiteboards. I was very impressed with their skills. Well done KM.

Kindergarten 2021

We are taking enrolments for Kindergarten 2021. If you have not yet enrolled your pre-schooler, or you know of a family with a child starting school next year, please ask them to contact the school for information on 4358 1171.

Transitions to High School

We have been able to begin the transition to high school process for our Year 6 students.

In last two weeks we have had the PDHPE teachers and the High Performance teachers visit us from Lake Munmorah High School. They spoke with the Year 6 students about what to expect, what to strive for as well as what the expectations are for the Targeted Sports program and high performance classes.

This week saw the Stage 3 Aboriginal students visit the high school and take part in a range of activities to build their familiarity with the school as well as meet key staff members. Lucy and Claire told me all about the great day. They worked with Jonathon from Dhinewaan on cultural activities, toured the school and played sport with Mr Quigg and staff.

Next week, all Year 6 students will visit the Lake Munmorah High School as part of a Taster Day. A Taster Day is just as it sounds. Students will get a little "taste" of different subjects, meet a few of the teachers they will be working with next year and start building some familiarity of the school. I look forward to hearing all about it.

Chess Club

Congratulations to our chess club students Tamsin, Henry, Jasper and Isaac who have competed against other schools over the past weeks. They have enjoyed some victories against their opponents and also some challenging matches with worthy opponents. Well done to the team for their commitment and sportsmanship.

School Uniform

Please send your child to school in their school uniform each day. We are getting a lot of children in all sorts of colours.

Please label all school uniform items so they can be returned to students easily.

Keep safe and keep well

Narelle Baldwin

Principal

Attendance

Congratulations to all of our amazing students who have 100% attendance so far this term. Please remember it is important that all students arrive to school on time and ready to learn. Did you know...

Jo Stopps

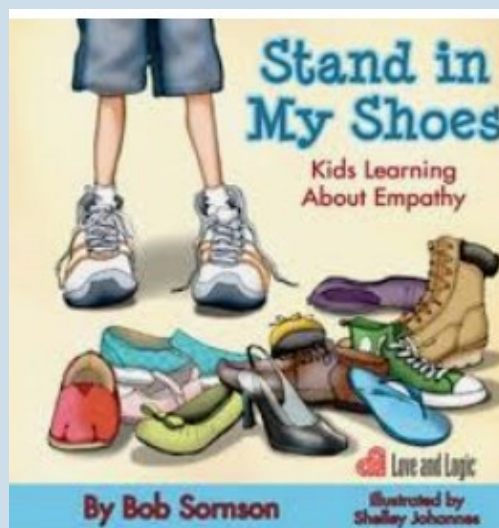

Deputy Principal Rel.

PBL News

This week our focus in PBL is “Empathy”. This goes hand-in-hand with last week’s topic, “Feelings”. Empathy is the ability to understand how another person is feeling – to ‘walk in someone else’s shoes’ and it is an important attribute to develop in children. Children who are able to recognise their own feelings and demonstrate self-regulation are far more able to show empathy for others which is why we need to focus on both of these topics.

At school each class will be looking at a range of hypothetical situations that are common at school and discussing how we can show empathy and kindness to others. We will be reading *Stand in My Shoes* by Bob Samson to introduce this topic.

Developing empathy takes time and comes more naturally to some children. You can help your child by empathising with them when they are feeling sad or angry, for example, and by modeling empathy for others. This can be achieved when watching television together by simply discussing how characters are feeling and showing empathy for them.

PBL Team

This week our PBL team met to discuss all things PBL. Our meeting involved analysis of behaviour data which allows us to plan our lessons and interventions based on student need. This term we are noticing a slight increase in the number of students not following instructions in the classroom and therefore this will be a focus in the coming weeks in our lessons.

From time to time, you may hear from your child’s teacher regarding your child’s behaviour in class. While this can be upsetting, working collaboratively with your child’s teacher to solve behaviours issues can have a powerful affect.

Mrs Bales

Lake Munmorah Public School

Kindergarten 2021

We are now taking enrolments for Kindergarten 2021.

Due to the current social distancing restrictions, orientation dates have not been set. We will inform you of the dates and times as soon as we can.

In the mean time . . the following documents can be collected and completed:

*A copy of your child's - birth certificate
- immunisation statement*

- proof of residence to be provided for all new enrolments (rates notice etc)

- complete the Expression of Interest form

If you require any information regarding our school you could view:

Website: lakemunmor-p.schools.nsw.gov.au

FaceBook: search @LakeMunmorahPublicSchool

Stay tuned for upcoming virtual tour of the school and orientation dates and session details.

*For more information please contact the school on 4358 1171
Mrs Jardine-Harris (Early Stage 1 Assistant Principal)*

Scouts

Be prepared... for new adventures

*Discover fun & freedom! Build confidence! Test your limits!
Make friends! Challenge yourself! Try new things! Get active!*

Manning Park Sea Scouts meet weekly & provides fun youth development activities, building resilient & confident boys & girls aged 5 to 25 & we also welcome adult leaders. Scouts has opportunities for the whole family to be involved and everyone is welcome.

To find out more, contact Kylie on 0401 979 346.

Manning Park Scout Hall, Lot 81 Griffith Street, Manning Park.
