

Lake Munmorah Public School

Term 2 Week 4

Personal Best

Principal's Report NAPLAN

This week saw the return of NAPLAN for Years 3 and 5, after its cancellation in 2020. For Lake Munmorah Public School students, the vast majority of the assessments are online. Students completed the Writing assessment on Tuesday, and Year 3 followed up with Reading, Language Conventions and Numeracy on Thursday and Friday of this week. Year 5 will complete their remaining assessments next week. Well done to all students for their efforts.

Stage 1 Magic Beach excursion

A very excited crew of Stage1 students headed off to the Art House at Wyong to watch the performance of Magic Beach. There were a few nerves about the bus ride! According to the students I spoke with, the show was awesome!!

Responsibility

GRIP Leadership Conference

Our Sports Captains and the Student Representative Council of Lake Munmorah Public School proudly represented our school at the GRIP Leadership Conference today. The students travelled to Terrigal and took part in a highly motivational and entertaining presentation. This conference is always a great opportunity for students to connect with school leaders from other schools and to develop their understandings of student leadership.

Respect

Young Teen Talk

Year 6 students will be part of the Young Teen Talk next week. This important discussion revolves around all those awkward questions about puberty, consent, emotions and anatomy/physiology (to name a few). The talk is delivered by Susie Blackwood, a current practicing nurse and sexuality educator. Please make sure permission notes are returned to the school prior to the 19th May for inclusion in this important talk.

Chess Club

Chess Club is up and running again, with the team competing in a tournament against Wyong PS this week. The skills and strategy the children displayed shows they are continually improving and developing as quality chess players. Well done.
