

## Term 1 Week 8 2022

### Principal's Message

**Harmony Day** was celebrated on Tuesday, with lots of our students coming to school in their orange clothes. The classes discussed the theme of Harmony Day - Everyone Belongs. With Australia being one of the most successful multicultural countries, we should recognise and celebrate this and work to maintain it. We all have those one or two things that we love, which has originated from somewhere else in the world, be it food, sport, music, games or a family member. We celebrate our diversity and enjoy living in such a brilliant country.

The National Day of Action Against Bullying was also part of the LMPS activities this week. Our school leaders did an excellent job of hosting a whole-school assembly to share information about what bullying is and to give the message that bullying is never OK. All classes took part in activities too, sharing the message to Stand Up, Stand Strong, Stand Together in our efforts to stamp out bullying.

*2 - KW say bullying is not OK*

### **Stage 1 Team**

Introducing the wonderful Stage 1 team. Stage 1 is Year 1 and Year 2, and both years are very important for students to build their foundational skills for learning throughout life. These years are when lots of reading, writing and early number skills are learned and become a part of every day life. Parents will see growing confidence and excitement in their children as skills are learned and challenges overcome.

*3 - Mrs Jo Stopps - Assistant Principal - 1S*

*4 - Mrs Nelson - 1/2N*

*5 - Miss Zalasinski - K/1Z*

6 - Miss Curtis - 2C

*7 - Mrs van Buul - 2V*

### **Help Needed for the P&C Audit**

The P&C are looking for a suitably qualified person to audit the P&C financial records for 2021. If you are able to assist, please contact the school on 4358 1171, and the office ladies will pass your details onto the relevant P&C members.

### **Vaping**

While we have had very few incidences of vaping in the school, this is something that appears to be more and more prevalent amongst young people. A new package has now been released by NSW Health in collaboration with Cancer Council NSW and NSW Department of Education. Please have a conversation with your child about the dangers of vapes. If you would like more information and further links to learn about the dangers of vaping, please go to:

Take care and keep well

Principal

## LMPS Sports News

The Wallarah Zone Swimming Carnival was held at Mingara on March 2nd. 24 students represented Lake Munmorah across 64 events! Lulu, Sunni and Havi Williams had a successful day and earned their place at the Sydney North Carnival. Sunni also came away with the Junior Age Champion award. Go Sunni! All 3 students travelled to Homebush on Wednesday, where I'm told they had excellent races, but narrowly missed the finals in their respective events. Well done, Team Williams!

In other news, we have two Year 6 students, Jett and Kaprice at the Wallarah and Tuggerah Lakes Combined PSSA Touch Football Trials today. We wish them the best of luck!

One of our Year 4 students, Mel Hottes will be travelling to Sydney this weekend to participate in the State Athletics Championships. She will be competing in the 10 years Shotput and 100m sprint. What a fantastic achievement.

LMPS wish you all the best and can't wait until Monday to hear about your events!
